## THE CLEMSON TROUBLE.

Since the trouble at Clemson began we have given our readers full reports of the whole affair. It is unfortunate that it should have occurred, and still more unfortunate that the fact justified the trustees in deciding with the students. From the facts brought out the almost unanimous verdict has been with the students, and the decision of the board of trustees in reinstating Cadet Thornwell and the sophomore class meets the popular approval. In this case the verdict is correct, but we say it is unfortunate in that it may give encouragement to the student body in the future to rebel against authority when their cause is not so worthy. But, however, when you find the student body so unanimous as in this case you may almost conclude that there is justification for their course, even before the testimony is taken. The punishment in this case was entirely too severe. It revolted against the justice which rested in the student mind and they took the action they did.

President Hartzog has resigned, but his resignation will not take effect until the June meeting. There will have to be some other resignations before there is peace at Clemson, and they had just as well come now. Of course the institution cannot be crippled, for there is demand for it, and men can be found broad enough to run it successfully. It takes broad men and men who are willing to study and know the student's mind and the student's nature to run such an institution successfully.

If the trustees of Clemson College can secure the services of Dr. J. M. McBride to take charge of Clemson they will make no mistake. He is the caliber of man for such an institution.

The State convention meets next Monday. Politics will begin to boil then sure enough.

## Holds Up a Congressman.

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all the organs in my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Overworked, run-down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50c. Guaranteed by all druggists.

## Davidson College Commencement.

The program of the 65th commencement of Davidson College presents an attractive list of orators. Senator Money, of Mississippi, delivers the annual oration at 10:30 a. m., Tuesday, May 27th. On the Sunday preceding Dr. R. P. Kerr, of Richmond, delivers the baccalaureate, and Dr. Egbert W. Smith of Greensboro, N. C., preaches the annual sermon before the Young Men's Christian Association.

Monday evening the two literary societies hold their reunion, with two distinguished South Carolinians as orators: Hon. W. F. Stevenson, of Cheraw, and Pres. B. F. Wilson, of Spartanburg. On Tuesday Senator Money's address in the morning is followed by the Alumni Meeting and Banquet at 5 p. m., and the Oratorical Contest between the Literary Societies in the evening.

Wednesday, May 28th, is Commencement Day. The orations by representatives of the graduating class, delivery of diplomas, etc., in the forenoon are followed by a concert and reception to visitors in the evening.

## Dangerous If Neglected.

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yanketown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. W. E. Pelham & Son.

## McLAURIN'S LAST FISTICUFF.

The Junior Senator from South Carolina and Mr. Gates, Proprietor of the Mansion House at Greenville, Have a Personal Encounter in a Washing Hotel.

Washington, D. C., May 1.—Senator McLaurin tonight had a personal encounter in the Raleigh Hotel with A. A. Gates, proprietor of the Mansion House, at Greenville, S. C. McLaurin, Gates and Loomis Blacklock were walking through the buffet. They stopped opposite the news stand, near the Pennsylvania avenue entrance to the hotel. Evidently angered at some remarks passed Gates stripped off his coat and rushed at McLaurin. They clinched, Gates attempting to strike, but failing to land on the agile Senator. They were separated.

Blacklock caught hold of Gates and forced him back. The manager of the hotel caught McLaurin, fast advancing.

McLaurin at once left the hotel. Gates reluctantly desisted from rushing after him, exclaiming: "I can eat two like him." Gates put on his coat and went to his room. He has been here since Monday with his wife and child. He left here at 9:55 o'clock for his home and would not talk, except to say that the trouble was of long standing. McLaurin could not be seen. Blacklock refused to talk.

## ANOTHER ACCOUNT.

There was an exciting scene in the lobby of a hotel here tonight in which Senator McLaurin, of South Carolina, figured. The Senator was sitting in the dining room with a gentleman, when he became the object of some offensive attention from a man, whose name the Senator refuses to disclose and who, the Senator says, was under the influence of liquor at the time. Shortly after this the Senator left the dining room and went to the cigar stand. While standing there the man who had followed the Senator from the dining room, approached him, whereupon Senator McLaurin knocked him down. The man's friends came to his assistance and ended the scene by hustling him away. The Senator was not struck. There were no arrests.

## Don't Start Wrong.

Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly." W. E. Pelham & Son.

## To Attend the Grand Lodge.

The Grand Lodge Knights of Pythias will convene in Greenville this week. Messrs. Eduard Scholtz and A. J. S. Longford will represent the local lodge. Hon. Geo. S. Mower, who is one of the officers of the Grand Lodge, will also attend.

## Like a Drowning Man.

"Five years ago a disease the doctors called dyspepsia took such a hold of me that I could scarcely go," writes Geo. S. Marsh, well known attorney of Nacoma, Tex. "I took quantities of pepsin and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any food and cures any form of stomach trouble. W. E. Pelham & Son.

## Death.

Mrs. S. A. Davenport, mother of Mrs. Fannie Russell of this city, died at her home near Silver Street, on Sunday after a lingering illness, in the 88th year of her age. Her remains were buried at Mt. Zion on Monday morning.

## A Shield of Defense.

Against competition is the reputation at "Clifton" flour has gained by its purity and high quality. It has fought its way to the front by sheer merit and it challenges any and all other flours to dislodge it from its well-earned position.

Made in a modern mill, newly remodeled on special plans of the most advanced type; milled with the utmost care and scientific skill from carefully selected wheat, "Clifton" flour is now surpassing even its own former standards. Its popularity, its hold on trade from the dealer to the consumer, grows greater day by day.

What this means to us, it means also to all who use or handle "Clifton." Do you use or handle it? Can you afford not to?

## What Is Foley's Kidney Cure?

Answer: It is made from a prescription of a leading Chicago physician, and one of the most eminent in the country. The ingredients are the purest that money can buy, and are scientifically combined to their utmost value. Glider & Weeks.

Let the Nicaragua canal bill be pushed at once. It is not necessary to get the consent of the railroad.

## A Lesson in Health.

Health kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Glider & Weeks.

Would the supreme court judges stand 5 to 4 on the constitutionality of a law increasing the salaries of judges?

## A Revelation.

If you will make enquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints. Glider & Weeks.

In the year 1802 an American military commander suppressed the declaration of independence as an "incendiary document."

Foley's Honey and Tar contains no opiates and can safely be given to children. Glider & Weeks.

President Schwab should be given credit for having the good judgment to risk his salary at Monte Carlo rather than in Wall street.

## Traveling Is Dangerous.

Constant motion jags the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. H. Hansen, locomotive engineer, Lima, O., writes: "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure." Glider & Weeks.

By using the Panama scheme to offset the Nicaragua plan the opponents of the isthmian canal have fallen back into the last ditch.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness. Glider & Weeks.

Recipe for making imperialist: Dissolve a bag of powder in a barrel of blood and throw in a handful of hypocrisy for seasoning. Drink while not

Will cure Consumption. A. A. Heron, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds and lung troubles. I know that it has cured consumption in its first stages." Glider & Weeks.

Perhaps it would be just as well to test that Danish West Indies brick before paying over the money. The Philippine brick did not stand the gold test.

You never heard of any one using Foley's Honey and Tar and not being satisfied. Glider & Weeks.
